## The Wailea Gold Course *Wailea's Rugged Beauty*

The home course of the Wendy's Champions Skins Game, the Wailea Gold Course is the most challenging of Wailea's trio. Designed by Robert Trent Jones, Jr., it has been ranked among the country's best new courses by Golf Magazine and Golf Digest, and one of the world's best designed by the readers of Conde Nast Traveler.

Jones flavored the Gold with elements of classic golf course design, then finished it with a rugged, natural look. Throughout the course are stark lava rock outcroppings, indigenous Hawaiian grasses, an abundance of kiawe (a relative of mesquite), and remnants of papohaku, prehistoric lava rock walls built by early Hawaiians and preserved for their historic value.

The Gold's 200-foot elevation change from top to bottom enhances the numerous ocean and mountain vistas available from virtually every hole. The course has been labeled a "thinking player's" course because it demands strategy and careful club selection to be played well.

# The Wailea Emerald Course

## Wailea's Tropical Playground

Rated one of the best new courses by Golf Magazine and Golf Digest, as well as one of North America's most women-friendly by Golf for Women, the Wailea Emerald is akin to a lush tropical playground. Flowers bloom in great abundance: plumeria, bird of paradise, allamanda, gazania, bougainvillea, beach morning glory, "firecracker" plants and more.

But don't be fooled by the Emerald's pleasant appearance. It is a superbly designed course created for pure golf enjoyment, regardless of one's handicap. Measuring 6,825 yards from the back, the Emerald features four to six tee boxes on every hole, allowing players to tailor the course to their playing level.

Notable features include a large double green shared by holes #10 and #17. Fronting the green is the only lake on the course. This is perhaps one of the Emerald's more picturesque spots.

# The Wailea Blue Course

## *The Grand Lady of Wailea*

The first course ever built in Wailea, the stately Blue is a gracious resort course that has been ranked among America's best resort courses by Golf Digest. In its lifetime, it has hosted such prestigious events as the LPGA Women's Kemper Open and Japan's Asahi-Kyosen pro/celebrity golf tournament.

The Blue's fairways offer views of the ocean and Mt. Haleakala, and some of Wailea's stunning residential communities. It features several fountains and lakes, and an abundance of colorful hibiscus, wiliwili trees, bougainvillea and plumeria. The Blue was designed to appeal to a broad range of players. While it has challenged some of the finest professional players in the world, it also offers a measure of forgiveness in its wider fairways and large greens.

Like its sister courses, the worst hazards on the blue are the visual ones: the sapphire Pacific Ocean (where one can spot humpback whales during the winter months), several offshore islands, a volcanic cinder cone known as Pu'u Olai and majestic Mount Haleakala.

## Pukalani Country Club

Set in the rolling hillsides of "up-country" Maui, Pukalani Country Club overlooks the Pacific Ocean and the rest of the Valley Isle of Maui from 1,100 foot level of Mount Haleakala, an extinct volcano whose name in Hawaiian means "House of the Rising Sun". Pukalani's 18 holes were designed by golf course architect Bob Balldock, and they cover nearly 160 acres. Built in 1970, the course is 6,962 yards long from the championship tees, plays to a par 72, and features 19 greens in its 18 hole layout!

## Waiehu Park Maui - Wailuku, HI 96793

Call (808) 270-7400 to Reserve a Tee Time Today!

Maui's only publicly-owned course, Waiehu Municipal Golf Course offers the spectacular views and challenging layout that one might only expect from a private course. Although it took more than 30 years to complete, the Waiehu course is one of the most popular municipal courses on any of the neighbor islands. The first nine holes, which first opened for play in 1930, are flat and run closely parallel to the palm-fringed beach along Kahului Bay. The second nine holes were not completed until 1966, and were constructed above the original nine on the slopes of the West Maui Mountains, which form the scenic backdrop of the course.

The par-72 18-hole layout measures 6,330 yards from the regular men's tees. Players will find the northeast trades to be a constant factor at the Waiehu golf course. It is located on Maui's north shore, which has the strongest and most consistent winds in the entire state of Hawaii. Along with the winds, players also have to take into account the 43 bunkers protecting the greens.

## Description

This course opened in 1987, and was originally known as Silversword. The trade winds hit the course usually in the mornings and late afternoons, and the course was designed with this in mind as many of the holes bring the wind into play.

## Tournament North Course- Main

Kaanapali's Tournament North Course opened its lush fairways in 1962 and is one of only two courses in Hawaii designed by the legendary architect Robert Trent Jones, Sr.

The Tournament course begins at sea level with a par 5 hole extending 550 yards. The course then curves upward and along the shore lines before winding its way to the West Maui Mountain foothills.

Stretching 6,994 yards, this par 71 course will challenge not only your ball positioning but putting skills as well.

## The Bay Course

**For More Information and Tee Times:**  
1-877-KAPALUA (527-2582)

Arnold Palmer and Francis Duane designed The Bay Course. The forerunner of Kapalua's three championship golf courses, The Bay Course is a 6,600-yard par 72 with gently rolling fairways and generous greens. The Bay Course is an excellent example of resort golf at its best.

## The Village Course

**For More Information and Tee Times:**  
1-877-KAPALUA (527-2582)

Kapalua's second Arnold Palmer design layout, The Village Course, twists, turns, rises and falls through the West Maui foothills. A serene trek through Hawaiian headlands, stands of Cook and Norfolk pines characterize this par 70 6,317-yard course. The Village is complex enough to challenge the seasoned professional yet can be every bit as enjoyable for beginning golfers as well.

## The Plantation Course

**For More Information and Tee Times:**  
1-877-KAPALUA (527-2582)

The par 73, 7,263-yard Plantation Course, is the course of the champions, site of the PGA TOUR Mercedes Championships each January featuring an elite field of previous year's PGA TOUR winners. The field has included such golf greats as Tiger Woods, Vijay Singh, Justin Leonard, Phil Mickelson, Ernie Els, Davis Love III and more. The grand scale of the course designed by Ben Crenshaw and Bill Coore unfurls across natural geographic formations and pineapple plantation fields that take your breath away.

**Maui Country Club is private but allows public play on Mondays and does allow reciprocal rights**

---

This course plays longer than the yardage indicates because of the windy conditions. This is a good course to walk because the terrain is predominantly flat. Guests are only allowed to play when accompanied by a club member. The green fees indicated represent Monday rates (Visitors' Day) when visitors are welcomed to play without a member. Visitors should call the club for directions. There are additional tees that can be used when playing an eighteen hole round.
